ONE TIME SCREENING- NO ACCOUNT SET UP REQUIRED!

Credasys now offers you the ability to do one-time screenings—without setting up an account. We understand that sometimes individual landlords with a low turn-over rate find it unnecessary to set up a membership account—for this reason we have implemented a new screening method.

The process is quick and easy! Just **complete the three forms below and fax your request to 888-711-2939.** We will run the report and either email or fax the results to you! Most services are available through this method. Please be advised, however, that ***you may not request a credit report through this method.*** In order to request a credit report you must set up an account and have a Site Inspection completed. Please refer to the application for a list of available services and pricing for the One-Time Screening method.

Thank you, we appreciate your business. For questions or concerns, please contact customer service at 888-500-0019.
